

# Little House in the Big Woods: Getting to the pier

The Dock on the Left

Aerial View Cabin is the red dot

Here is a video to help explain how to get to the dock.

- Out of the driveway turn left.
- Go for a while until the first left N Hay Creek Rd
- Follow the road until you see a wooden crane and Private Property sign **#9430N** (Pictured to the right)
- This is a private drive but we have permission to use this grassy drive to get to the lake.
- Go immediately right, follow down the grassy path to the opening for the dock.
- Second pier on the left is marked with a red reflector. (Pictured below) Please park your boat on the reflector side. Drive slow by the piers also please.

Please park on the blacktop. You can go down to the water to drop off all of your gear but then please park off of the grass and on the blacktop.

This is the number of the private driveway

This is the path down to the dock

Here is the dock and park your boat on the side with the red reflector on it Please.
